

# RUE-4191

## Universal Remote Controller

# Owner's Manual

### Installation of Remote Control Holder

- Do not leave the remote control mounted on the holder, if it is direct sunlight. Remove the remote control from the holder and put it in the glove compartment.
- If double-sided adhesive tape cannot install the holder securely, use screws.

### Battery Replacement

Applicable battery: Use two "AAA" sized dry batteries or equivalent.

### In Case of Difficulty

Problem	Cause	Solution
Remote Control Inoperative.	Reverse placement of battery.	Place the battery correctly into its cradle in the compartment.
	Dead battery.	Replace the battery with a new one.
	Remote Control not pointed toward the head unit or monitor.	Point the remote control directly toward your head unit or monitor.

### Specifications

Battery Type	AAA size batteries
Battery Quantity	2
Dimensions (W x H x D)	56 x 142.5 x 37 mm (2-1/4" x 5-5/8" x 1-7/16")
Weight (without battery)	72 gr (2.6 oz)

### Accessories

Battery (AAA)	2
Remote Control Holder	1 set
Double-Sided Adhesive Tape	1 set
Screw	2

## WARNING

This symbol means important instructions. Failure to heed them can result in serious injury or death.

### DO NOT DISASSEMBLE OR ALTER.

Doing so may result in an accident, fire or electric shock.

### KEEP SMALL OBJECTS SUCH AS BATTERIES OUT OF THE REACH OF CHILDREN.

Swallowing them may result in serious injury. If swallowed, consult a physician immediately.

### DO NOT OPERATE ANY FUNCTION THAT TAKES YOUR ATTENTION AWAY FROM SAFELY DRIVING YOUR VEHICLE.

Any function that requires your prolonged attention should only be performed after coming to a complete stop. Always stop the vehicle in a safe location before performing these functions. Failure to do so may result in an accident.

### KEEP THE VOLUME AT A LEVEL WHERE YOU CAN STILL HEAR OUTSIDE NOISE WHILE DRIVING.

Failure to do so may result in an accident.

## CAUTION

This symbol means important instructions. Failure to heed them can result in injury or material property damage.

### DO NOT MIX NEW BATTERIES WITH OLD BATTERIES. INSERT WITH THE CORRECT BATTERY POLARITY.

When inserting the batteries, be sure to observe proper polarity (+ and -) as instructed. Rupture or chemical leakage from the battery may cause fire or personal injury.

### Handling Precautions

Do not drop or apply shock to the unit. It may get permanently damaged.

Keep the unit away from water and moisture, direct sun and heat, and excessive dust. Never use scouring pads, steel wool, abrasive powders or harsh chemical agents, such as lye solution, for cleaning.

Clean with a soft, lint-free cloth or cotton swab slightly dampened with a mild solution of detergent and water.

Do not operate this unit in a manner that could distract you from driving safely.
